OBITUARY.

The Board has to report with much regret the death of Mr. Joseph Thompson who was a member of the Honorary Staff of the Hospital during the years 1891—1911.

Mr. Thompson will be remembered by many of the Governors for his professional ability and kindly nature. During his active connection with the Hospital he rendered valuable service to the many patients who came under his care.

HONORARY STAFF.

It is with regret that the Board has to record the resignation of Mr. F. C. Greig from the post of Honorary Surgeon to the Hospital owing to ill health. The Board desires to place on record its appreciation of Mr. Greig's service during the nineteen years he was a member of the Honorary Staff of the

REPORT OF THE MONTHLY BOARD.

Hospital, and expresses the hope that he will soon be restored to good health. In acknowledgment of the services rendered by Mr. Greig the Board recommends to the Governors that he be appointed an Honorary Consulting Surgeon to the Hospital.

In accordance with the Rules of the Hospital, the vacancy caused by Mr. Greig's resignation was duly advertised in the Local Press, and by a postal vote of the Special Board for the election of Honorary Medical Officers, Mr. F. Crooks, M.B., B.Ch., F.R.C.S. was elected to fill the vacancy. Mr. Crooks has held the position of Honorary Assistant Surgeon for the past sixteen years. The vacancy thus created in the post of Honorary Assistant Surgeon has been advertised, and an appointment will be made by the Special Board in due course.

On the outbreak of War, Mr. E. J. Gilroy Glass, Honorary Assistant Aural Surgeon to the Hospital, who was a member of the Royal Army Medical Corps, was called up for Army Service.

ACCOMMODATION FOR NURSING STAFF.

The building of an annex to the Nurses' Home to accommodate additional Nurses was commenced in July last on the site formerly occupied by St. James' Church, and it is hoped that the building will be completed within twelve months. The building has been planned to contain seventy-two bedrooms, recreation rooms, etc., and the foundations have been strengthened to allow of an additional twenty-five bedrooms being added at a later date should this be necessary.

Certain alterations were necessary to the heating apparatus in the Preliminary Training School at No. 5, Newcastle Drive, the cost of which has been defrayed by the Chairman of the Nursing Committee, Captain A. S. Bright, and the thanks of the Governors are due to him for his generosity in the matter.

IRON LUNG.

It is with gratitude that the Board reports that the Respirator, which is part of Lord Nuffield's gift to the Hospitals in the country, has been received, and the Board places on record its deep appreciation of this gift.

RESIDENT MEDICAL STAFF.

The Board has received a recommendation from the Medical Committee that in view of the large increase in the number of patients admitted to the Hospital and the consequent increase in the work of the Resident Medical Officers, a Resident Anaesthetist and a third House Physician should be appointed, and after giving the matter careful consideration, the Board was satisfied that these additional appointments were necessary, and they have accordingly been made.

REPORT OF THE MONTHLY BOARD.

FIRE ESCAPES.

It was recently suggested to the Board that additional fire escapes should be fixed to certain wards in the Jubilee Wing and after consulting the City Fire Brigade on the matter, it has been agreed that these should be provided at a cost of £170.

FLAG DAY.

As a result of the Flag Day held in June last, the Hospital received the sum of £552 4s. 8d. This sum is £129 7s. 8d. less than the total received last year, but this reduction was undoubtedly due to the inclement weather on the day the collections were taken, and the Board feels grateful to the Organisers and Public for the result attained.

CINEMATOGRAPH EXHIBITORS' ASSOCIATION.

The sum of £282 has been received as the result of the effort made by the members of the Notts. and Derby Branch of the Cinematograph Exhibitors' Association, this amount being £20 more than that received in 1938. It is very gratifying indeed to the Board to receive this welcome help, and thanks are accorded to the members of the Association for their continued support.

WHIST SHIELD COMPETITION.

The Board has to acknowledge receipt of £600 from the Committee responsible for the organisation of the Whist Shield Competition, and wishes to record its grateful thanks for the continuance of the support so willingly and generously given. Although this sum is less than the amount received in former years, the Board realises that the Organisers of this Competition have been untiring in their efforts to raise money for the Hospital, and is interested to know that other schemes are in hand, which, it is hoped, will be the means of considerably increasing the amount raised by the Competition.

EGG WEEKS EFFORT.

In the spring of the year, steps were taken to organise the Egg Weeks Effort for the Hospital, and willing helpers from all the surrounding districts gave their services.

As a result of the Scheme this year 110,000 eggs have been received, and £195 14s. 8d. in cash. The eggs which are not required for immediate use, are tested and preserved for use during the winter months. Support of this Effort comes from practically all the districts served by the Hospital and reflects in no small manner the keen interest taken in the welfare of the Institution. The Hearnshaw Challenge Cup this year was won by the village of Thurgarton which collected 7.01% per head of the population. The Board is most grateful to all those who helped in this Movement, and particularly desires to place on record its thanks to the Chairman of the Committee, Mr. S. T. Read, for his interest and work in connection with the organisation of the Effort.

REPORT OF THE MONTHLY BOARD.

POTATO WEEKS EFFORT.

The Eighteenth Annual Effort to provide the Hospital with potatoes, vegetables, fruit, etc. has recently commenced, and the Board wishes it success.

The Governors will realise that this scheme is of great help to the Hospital, and it is hoped that notwithstanding the difficult times through which the Country is now passing, the public will remember the urgent needs of the Hospital by supporting the Effort. The Board places on record its gratitude to Mr. Charles Taborn, Chairman, and Mr. J. Birkin, Vice-Chairman, for their work in organising the Scheme.

HOSPITAL SATURDAY CONTRIBUTORY FUND.

The Board desires once again to acknowledge with renewed thanks, a contribution of £16,000 from the Hospital Saturday Contributory Fund on account of the 1939 collections. This amount is the same as was received up to the corresponding date last year, and the Board takes this opportunity of again expressing its gratitude for the valued help thus rendered to the Institution.

The Board is pleased to know that details of the Contributory Scheme have now been approved by other Institutions connected with the Scheme, and is confident that when the organisation of the scheme is complete there will be a substantial increase in the amount raised from the workpeople in the area served by the Hospital. The adoption of the Contributory Scheme and the consequent issue of vouchers and not Recommendations to members of the Scheme and their dependants requiring Hospital treatment will necessitate a slight amendment to Rule 12, namely that the words "and the delegate of any workshop, warehouse or other place of employment, paying a collection from the workpeople amounting to £2 2s. 0d. or more" be deleted. It is not the intention of the Board at present to discontinue the issue of Recommendations entirely, and the basis of issue in respect of Annual Subscriptions, Entertainments, etc. will be the same as hitherto.

HOSPITAL SUNDAY FUND.

The amount subscribed this year to the General Hospital through the Hospital Sunday Fund is £1,399 11s. 2d. which is about £63 less than the amount contributed to the Institution the previous year. The Board records its warm appreciation of the help rendered by the Hospital Sunday Committee, Clergy, and others who interest themselves in the Fund, for their advocacy of the claims of the Hospital, and it is sincerely hoped that the collections will show an improvement next year.

PURCHASE OF PROPERTY.

With a view to possible future extensions and developments of the Hospital, the Board deemed it desirable to purchase the House, No. 56, The Ropewalk, opposite the main entrance to the Ropewalk Wing. The property is leasehold, the lease being for 99 years from March 1934, with an annual ground rent of £14 1s. 0d.

REPORT OF THE MONTHLY BOARD.

PAY BED WING.

This Wing of the Hospital has now been open for slightly over twelve months, and the Board is satisfied that this addition to the Hospital's activities is appreciated by those patients who have been admitted.

For the first six months of the year, the number of patients admitted was 429.

ALTERATION TO RULE 33.

The Board has received a recommendation from the Medical Committee that there should be a further amendment to Rule 33 regarding the Constitution of the Medical Committee and a resolution to this effect will be placed before the Governors at the Anniversary Meeting. The amendment to the Rule is as follows :—" A Medical Committee consisting of the Honorary Physicians and Surgeons of the Hospital and two additional members of the Honorary Staff elected annually by those members of the Honorary Staff who are not Honorary Physicians and Surgeons."

AIR RAID PRECAUTIONS.

Consideration has been given regarding steps to be taken in connection with Air Raid Precautions, and a scheme was prepared by the Architects which has been submitted to the Ministry of Health for approval. The cost of such items approved by the Ministry will be borne by the Government on the understanding that the Hospital will be asked to make a contribution which will not exceed £1 per bed calculated on the normal bed complement.

COLD STORAGE.

In order to improve the arrangements in the Hospital kitchen for the storage of food, the Board has decided to install a cold storage room at a cost of £247.

BED ENDOWMENTS.

As an appropriate manner to perpetuate the memory of his son William Harold, Mr. G. W. Price has endowed a bed in the Hospital, and the Board takes this opportunity of expressing thanks to Mr. Price for his kindness in helping the Hospital in this generous way.

There were 37,416 X-Ray Photographs taken during the year as compared with 36,737 in 1938.

Dr. J. Kilian Clarke, Pathologist, reports that during the year ending December 31st, 1939, approximately 19,000 Pathological, Bacteriological and Bio-Chemical Specimens were examined and reported upon.

DEATH OF MR. P. M. MacCOLL.

It is with regret that the Board has to record the death of Mr. P. M. MacColl, who for thirty-one years was in the service of the Hospital, during twenty years of which he held the position of House Governor and Secretary.

He relinquished his active work at the Hospital in May, 1938, when he left Nottingham to reside in Cambridge, where he died in December last. Mr. MacColl was respected by many friends of the Hospital, and his quiet disposition, tact and courtesy and the work which he did on behalf of the Hospital will long be remembered by those who knew him. He leaves a widow, son and daughter to whom the Board tenders its deep sympathy.

HONORARY STAFF.

At the Anniversary Meeting held in October last it was reported that there was a vacancy in the office of Honorary Assistant Surgeon caused by the election of Mr. F. Crooks to the position of Honorary Surgeon. This vacancy was advertised in accordance with the Rules, and as there was only one candidate a postal vote of the Special Board for the Election of Honorary Medical Officers was taken, and Mr. F. C. Hunt was elected to the position for a period of five years from October 4th.

Mr. Hunt has for a number of years been Honorary Assistant Surgeon-in-Charge of the Casualty Department. The vacancy thus created by Mr. Hunt's appointment was advertised and at a Meeting of the Special Board, held in December last, Mr. John Swan, M.B., B.Ch., B.A.O., F.R.C.S., was elected to the position of Honorary Assistant Surgeon-in-Charge of the Casualty Department for a term of five years from December 20th, 1939.

The term of five years for which Dr. H. Smith Wallace was appointed Honorary Assistant Physician expired in January last. As Dr. Wallace had applied for re-election and as there were no other candidates, a postal vote was taken in accordance with the Rules.

The number of votes recorded in this way was greatly in excess of the number required by the Rule, and Dr. Wallace has, therefore, been re-elected for a further term of five years from January, 1940.

ASSISTANT MATRON.

It is with regret that the Board has to report that on account of ill-health, Mrs. F. E. Owen relinquished her duties as First Assistant Matron in October last. Mrs. Owen was in the service of the Hospital for nineteen years; first as Ward Sister, later as Home Sister and for the past few years as Assistant Matron.

The Board wishes to place on record its appreciation of the loyal and devoted service rendered by Mrs. Owen.

Miss F. E. Robinson, Second Assistant Matron, who was a Member of the Queen Alexandra Imperial Nursing Service, has been called up for Military Duties, and the Board has agreed that at the expiration of War, Miss Robinson should have the opportunity of returning to duty at this Hospital. Miss M. Plucknett, who formerly held a position at Bristol General Hospital, has been appointed Assistant Matron, and took up her duties on January 1st, 1940.

PAY BED WING.

The Pay Bed Wing has now been open for about eighteen months, and the accounts for the year ending December 31st last, show that this portion of the Hospital is self-supporting. During the year 1939, 799 patients were admitted and the daily average number of patients was 36.8. The Board is convinced that the erection of this Wing has proved of great benefit to the public of Nottingham, and is much appreciated by those who have been patients.

When the Wing was opened there was a debt on the building of slightly over £10,000, and the Chairman of the Board has made a special effort to raise this sum; Donations received and promises total £7,229 10s. 0d., as follows:—

	£	s.	d.

Mr. F. W. Perry	10	10	0

The Board takes this opportunity of expressing to Sir Louis its deep appreciation of his efforts in this matter, and also gratitude to those who have so generously responded to his appeal.

X-RAY DEPARTMENT—ADDITIONAL DARK ROOM.

A recommendation was recently received from the Medical Committee stating that owing to the increase in the work of the X-Ray Department, an additional dark room was necessary. The matter has been carefully considered, and the Board has agreed to the work being proceeded with.

HOSPITAL SUNDAY.

Reference was made at the Anniversary Meeting to the fact that the collections taken on Hospital Sunday were £63 less than the collections taken in the preceding year, and that the sum of £1,399 11s. 2d. was the lowest total received from the Sunday Fund for many years past.

The Board is pleased that the Hospital Sunday Committee has decided to hold Hospital Sunday in April instead of the first Sunday in February, as has been the custom during the past few years. It is felt that the alteration in the date will be more convenient to the public as not only will the expensive periods of Christmas and the New Year have passed, but the black-out conditions will have improved for those persons who wish to attend the evening Church Services.

FURNITURE FOR THE NURSES' HOME ANNEX.

Consideration has been given to the question of the furniture and equipment required in the Nurses' Home Annex, which is at present in course of erection. Owing to the fact that production costs are increasing, the Board decided in December last that it would be advantageous to place a contract for the furniture required. Tenders were invited and the order has been placed.

NOTTINGHAM & NOTTS. HOSPITAL SATURDAY CONTRIBUTORY FUND.

The difficulties with which the Board has had to contend owing to the Expenditure exceeding the Income in recent years have caused a great deal of anxiety. This has been due to advancing costs—principally caused by increased remuneration to the Nursing Staff—increased costs of special departments and medical necessities—and it was felt that the situation would become still more acute. It is, therefore, with great satisfaction and with very grateful thanks that the Board acknowledges the receipt of £37,199 3s. 10d. from the Nottingham and Notts. Hospital Saturday Contributory Fund. In addition to this sum £1,852 6s. 7d. has been received as Employers' Contributions and Annual Subscriptions to the Hospital and Flag Day, making a grand total of £39,051 10s. 5d. This sum exceeds the amount received from the Hospital Saturday Fund in 1938 by £6,766. The Board feels that the Contributory Scheme Committee has achieved remarkable success, since the Scheme was not finally adopted until July last, and it is recognised that this success is due in no small measure to the untiring energy and enthusiasm of the Committee, and particularly to Mr. G. Thornton Simpson, President of the Fund, to whom the Board desires to pay particular tribute for his work in launching the Scheme.

MOTORISTS' FUND.

This Effort on the part of the Motoring Public in the City and District, completed its tenth year on December 31st and realised £449 13s. 3d., after payment of all expenses for printing, advertising, postages, etc. This sum is £45 more than the amount received in 1938, and is the highest sum received from the Fund since its inception in 1930. The Board feels that this increase is due to the activities of the Motorists' Fund Committee and particularly to the Chairman, Sir Albert Atkey, who has, by appeals in the Press, and to the motoring public, drawn attention to the expenses incurred by the Hospital in the treatment of motor accidents.

It is possible that this source of Income for the Hospital will be adversely affected by the reduction in the number of cars on the road and the rationing of petrol, but, nevertheless, the Board feels that in spite of these unfortunate conditions, that if all the motorists using their cars would purchase a badge, the Effort would be even more successful than in the previous year. The Board takes this opportunity of reminding the public that Badges are obtainable from all leading Garages in the district and from the Secretary of the Hospital.

NURSING STAFF.

The Board desires to express its warm thanks to all the members of the Nursing Staff, and particularly to the Matron, Miss I. Liddle, for their co-operation under increasingly difficult conditions.

Successes obtained and the progress made by the Nurses in training in State Examinations have been very satisfactory.

Having regard to the high standard now demanded by the General Nursing Council, the results attained by the Nurses at this Hospital reflect much credit on the Tutor Sisters and all those who have assisted in the training of Nurses.

ADDITIONAL BEDS FOR WAR EMERGENCIES.

The Ministry of Health have supplied seventy-five Bedsteads and the necessary bedding and linen for the use of possible air raid casualties. These beds are to be kept in store and will be erected in the various wards should necessity arise.

POTATO WEEKS.

The Annual Appeal for Potatoes and other vegetables has been carried on again this year, and has been most successful.

Over 44 tons of potatoes, considerable quantities of turnips and other root vegetables and large quantities of fruit and other useful gifts were received in addition to £26 17s. 2d. in cash. The Board is pleased to know that the number of districts sending gifts is being well maintained.

The Board records its grateful thanks to all who have assisted in the transport of the goods, as it is realised that if this had to be paid for out of the Funds of the Hospital the financial result of the Effort would be considerably lower.

The thanks of the Governors are due to the Committee under the leadership of Mr. C. Taborn, and Mr. J. Birkin as Vice-Chairman, for the enthusiastic interest which they take in the organisation of this Effort.

EGG WEEKS EFFORT.

The Annual Egg Weeks Effort was again a great success ; no fewer than 109,190 eggs being received, in addition to £195 in cash, as compared with 107,840 eggs and £94 in cash received in 1938. Such a result is a further proof of the practical interest taken in the welfare of the Hospital, particularly as support of this Effort comes from practically every district served by the Institution. The Board is grateful to Mr. S. T. Read, Chairman of the Committee, for his continued interest in the organisation of this Effort.

" THE CEDARS."

The Board again emphasises the great help which " The Cedars " is to the Hospital. Were it not for this valuable part of the Institution, the work of the General Hospital would be greatly hampered as one-quarter of the patients passing through the General Hospital are transferred to " The Cedars " ; thus relieving the pressure on the beds of the parent Hospital. The Governors will be interested to know that notwithstanding the fact that at the outbreak of War, a number of beds were kept empty in order to be available for air raid casualties, the number of patients admitted to " The Cedars " during 1939 was greater than in any previous year.

PATIENTS' LIBRARY.

For a number of years the work of distributing books to patients has been very ably carried out by Miss C. E. Evans, Miss Gill, Mrs. Wilkins, Mrs. Barrow, Miss Ball and Miss Torrance. The Board tenders its warm thanks to them for their valued help.

The Governors are reminded that the number of books for the use of patients is small and requires renewal from time to time. Any Governors who have novels or light literature in good condition, would be conferring a favour on the patients by sending them to the Hospital. They will be most acceptable and will be duly acknowledged by the Matron.

LINEN GUILD.

The Linen Guild, under the Chairmanship of Mrs. W. G. Player, has again done excellent work in replacing a considerable portion of the linen required for wards. This results in a considerable saving on the Funds of the Hospital, as during the year 1939, the cost of linen replaced by the Guild amounted to £402 17s. 9d. The Board desires to express grateful thanks to the Committee and the large body of helpers who have in many ways assisted the Hospital by sending garments for the patients, and also by sending gifts of money.

BED ENDOWMENTS.

The Board is pleased to report that Mr. and Mrs. A. R. Leivers have generously given £1,000, for the purpose of endowing a Bed in the Hospital, in memory of Mr. Leivers' father, Mr. Alfred Leivers, and takes this opportunity of expressing grateful thanks to them for the valuable financial help thus rendered. It is felt that this is an appropriate occasion to draw the attention of the friends and supporters of the Hospital to the endowment of a Bed as a most excellent method of commemorating all occasions, both sad and joyful. It is the highest form of benefit that can be conferred on the Hospital, since it ensures a perpetual income for carrying on the work.

SPECIAL DONATIONS.

It is with great pleasure and grateful thanks that the Board has to record the gift of £525 from the Midland Colliery Owners' Mutual Indemnity Co., for the general Funds of the Hospital, in acknowledgment of the work done by the fracture clinic in respect to injuries sustained by men employed in collieries.

It is interesting to know that this cheque was sent on the instigation of the President of the Hospital, Mr. J. N. Derbyshire, and the Board desires to place on record its deep appreciation to him for his thought of the Hospital in the matter.

Of the numerous efforts organised for the Hospital during the year under review, special mention must be made of the Cattle Market Committee, who organised a special Auction for the benefit of the Hospital and the Red Cross Society.

The Hospital has received to date £420, and the Board feels that the Cattle Market Committee are to be congratulated on their outstanding success in realising such an excellent sum for the Hospital. Thanks are due also to the gentlemen who presented the beasts for auction and to those who, in any way, helped to achieve such a magnificent result.

The Board also desires to place on record its deep appreciation of Mr. Ronald Shipstone's generosity in paying £150 towards the cost of fitting the Hospital with Blinds, and also to convey to Commander and Mrs. Mackness grateful thanks for their kindness in defraying the cost of fitting the Pay Bed Wing with special light-proof curtains.

The Board is grateful for their continued practical interest in the welfare of the Institution.

THANKS.

Before the Board concludes its report on the work of the Institution during the past year, it desires to express deep gratitude for the generous support accorded to the Hospital by all sections of the Community. It would particularly thank the members of the Honorary Staff for their continued unremitting care of the patients who come under their charge ; to Annual Subscribers; Donors; Organizers and Helpers of Entertainments, and to all others who have so freely assisted, and thereby shown their devotion to the relief of those afflicted with disease.

GENERAL HOSPITAL, NOTTINGHAM.

REPORT OF THE MEDICAL COMMITTEE

To the Governors, 20th March, 1940.

The work of the Hospital during 1939 was interrupted in September by the outbreak of War, and for several months after that, the greater part of its bed accommodation had to be vacated in anticipation of air raid casualties.

Now the necessity for this no longer exists, and the Hospital is once more functioning to its full capacity.

But, in spite of this, the number of medical and surgical patients has greatly increased, and the pressure, especially on the Female side of the Hospital, is such, that the provision for women medical cases and Female accidents has become more urgent than ever.

We are glad to know that plans are being prepared for these Wards and that the work is to be carried out at an early date.

The Pay Bed Wing continues to be a great asset to the Hospital. Its beds are fully occupied and there is a Waiting List for admission—a sure sign of its need and popularity.

The Fracture Clinic shows progressive expansion, and this year there were 4,075 cases with a total attendance of 18,887.

A “Blood Bank” is the latest addition to the Hospital. The Blood is housed in a large refrigerator, and a constant supply is available for transfusion in all cases of emergency.

After giving many years of useful service on the Honorary Surgical Staff, Mr. F. C. Grieg has resigned, owing to continued ill health.

We much regret the cause of this severance, and trust that he will soon be restored to health. He has been appointed a Consulting Surgeon to the hospital.

We extend a hearty welcome to his successor, Mr. F. Crooks.

(Signed) C. H. ALLEN,
Chairman of the Medical Committee.

(Signed) A. M. WEBBER,
Hon. Secretary of the Medical Committee.
